

CLOSED

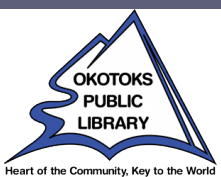

Since the Okotoks Public Library closed on March 16, 2020 management has been closely monitoring developments and information about the COVID-19 pandemic.

Libraries are categorized under Phase 2 of the provincial government's re-opening plan. A re-open date will be determined when Library management and board trustees feel we can open (with restrictions) while maintaining the health and safety of our staff, volunteers and visitors.

Overdue fines will be waived for items checked out during this closure. Holds will remain on our shelves, regardless of expiry date. Library items can still be returned in our 24-hour exterior book drop.

Thank you for your support, understanding and patience during this difficult time as we work together to ensure the well-being of everyone in our community.
