COVID-19 VIRUS RESPONSE STATEMENT

Okotoks Public Library Management has been closely monitoring developments and information about the COVID-19 virus.

As a result, the Okotoks Public Library will be temporarily closed until further notice as of March 16, 2020 to help limit the spread of COVID-19.

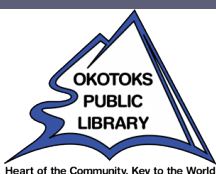

The health and safety of our staff, volunteers and visitors is our top priority and Library management and board trustees will continue to monitor the situation and follow recommendations from all levels of government.

Overdue fines will be waived for items checked out during this closure. Library items can still be returned in our 24-hour exterior book drop.

Our Holds Pick-Up Service has been CANCELLED, effective March 17, 2020.

Thank you for your support, understanding and patience during this difficult time as we work together to ensure the well-being of everyone in our community.
